Tragic Fire Guts Home; 18 Firemen Answer Alarm

The most disastrous fire of the year was answered by 18 volunteer firemen at 10:07 Monday morning to the home of Gerald T. Kinney, 715 Woodland Drive. Damage was estimated by Fire Chief Charles Brown at 90% loss and setting the figure at \$10,000.

Crown Truck No. 4 arrived in 3 minutes, 57 seconds to find the home in complete flames. The LaFrance truck arrived seconds later and was based at the foot of Mountain Trail and Studevant as a protective measure, should any other fire be reported in the city. The Seagraves, stationed in the

The possibility of a teen-age center in Memorial Park was again held over by the City Council and referred to the City Attorney for clarification of: responsibility, interpretations and possibilities of the Council granting the permission.

A new program was presented to the Council by a group of Sierra Madre Citizens, who were receptive to forming a non-profit corporation for rehabilitation of the house and supervision.

Carl Griffin of Griffin Lumber Company estimated the cost of completing the rehabilitation of the building at \$9,200. With volunteer labor and donated materials already committed, the dollar outlay cost would be \$4,500. A further meeting between the City Engineer, a structural engineer and members of the proposed organization will be held prior to the next meeting of the Council May 23, when a decision may be forthcoming.

The Council at this meeting heard a report of the

Water Rate Study Committee, after which they asked the press to inform the people of the city that an increase in water rates were necessary. The increase is planned for effectiveness on July 1, and will be in the vicinity from 6 to 8 cents per 100 cu. feet. An increase on your water bills of between 30 and 40 per cent.

Geologist Robert Gardner gave a preliminary report of a water study in the Little Santa Anita area and Council voted to continue further into the study for possible water diversion by the city at "quarter-way."

A public hearing was held on the weed abatement program and city policy was set forth with the remarks that further posting may be necessary in order to carry out the program to completion.

With only half of the agenda having been taken care of the Council adjourned at 12:30 to Monday evening at 8 to complete the remaining items.

Miner Harkness Resigns As Search & Rescue President

On Wednesday evening, May 10, at a regular meeting of the Sierra Madre Search and Rescue Team, President Miner Harkness officially handed in his resignation and vacated his office. He will remain a member, but not in the capacity of president.

Mr. Harkness has been a member of this worthy organization since 1953. He has also served in the positions of secretary and vice president. Along with his fellow co-workers, he has participated in approximately 55 rescues a year.

A native of Sierra Madre, he resides at 390 Churchill Road with his wife, Sarah, and their five children, Richard, Jacque, Philip, Claudine and Andrea. He has been in the insurance business since

1949. He and his father, Miner Harkness Sr., are partners in the Miner Harkness Insurance Agency located at 49 S. Baldwin.

After three years as president, he is resigning for two reasons. He feels that three years are long enough to hold that office, and it's time he steps aside to give others a chance. Although he has enjoyed the job, Mr. Harkness says it's tremendously time-consuming and he would like to rest from the duties of the office.

Our Endorsement

We have given serious thought and research to the candidates for the Election to the School Board for the Pasadena Unified School to be held on Tuesday, May 16.

Of course, we have closely considered their qualifications to serve on the board, but more seriously we have studied what the potential of each candidate would be relative to the taxpayers and students of SIERRA MADRE. After this study had been completed, we have come to the conclusion that:

BRAD HOUSER — Seat No. 2

JOHN WELSH — Seat No. 4

Are the two candidates with the most knowledge and potential to help Sierra Madre solve its problems, and we hereby endorse them and ask you to cast your ballot for them at the Election on May 16.

Write-In Candidate For Board

A write-in candidacy to elect Frank A. Fleck for School Board Seat No. 4 at the May 16 election was announced this week by Hamilton de Jong, director of the Pasadena Taxpayers Association. This action was taken after repeated unsuccessful attempts to obtain a strong tax statement from the present candidates.

Mr. de Jong made the following statements on behalf of Mr. Fleck's candidacy: 1. Frank A. Fleck will eliminate waste and frills, and will reduce unnecessary expenditures. As a start, the

DAR Will Hold May Conference

Sierra Madre Chapter, National Society Daughters of the American Revolution, will hold its May meeting on Monday, May 15, at 7:30 p.m. in the Parkhouse, 25 S. Hermosa, Sierra Madre.

Mrs. George W. Heckert, State Chairman of National Defense, will bring the evening's program, acquainting members with the various bills and opinions on all matters pertaining to this vital subject. Mrs. Heckert, like the national chairman in Washington, D.C., is well informed on all national problems and presents them in a pleasant and captivating way. Since DAR aims are "to cherish, maintain and extend the institutions of American freedom, to foster true patriotism and love of country, to aid in securing

Senior Citizens Enjoy Luncheon.

Senior Citizens were saddened on Saturday at hearing of the loss of another dear member, Mr. Albert Fergen who passed away May 3; had he lived until May 26, he would have reached his 85th birthday. A group from the organization attended the services at Ripples; also a short memorial service was held at the Park House and a token of remembrance, a book of poems on flowers, was presented to the widow, Mrs. Lucy Fergen.

Sympathy was also extended to Mrs. Effa Schgardus, whose sister had just passed away. There will be no meeting on Saturday, May 20, as the Park House will be occupied by the Art Colony that day.

Announcement was made of the Chamber of Commerce's bus trip to Solvang, Sunday, May 21. Bus will leave here at 10 a.m. Make reservations with the Chamber of Commerce.

Bodine Was Safe In Los Angeles

Search In Vain Sometimes Cost A Life To Save A Life

by BILL WARK

You could feel the chill of a brittle wind sweeping the slopes and the silent snow, as ninety three year old Alfred Foulds, recalled the appalling story.

Foulds, who built 54 cabins along the Santa Anita stream between 1912-1916, was one of four men who participated in the tragic search for Ranger Donald Bodine, who with his four burros vanished in the San Gabriel Mountains during the "big snow" of 1922.

Bodine, of the West Fork Station was packing supplies to a trail camp a little beyond Buckhorn Camp. He was last seen when he stopped to chat with Elmer Hertwick, a mountain trapper, in his cabin in Squaw Valley. Soon after he left,

there was an uneasy stirring in the air. The deep ominous sound of a storm wind sweeping the sky. A huge dragon of cloud darkened the sun and veiled the peaks; snow drifted down. For several days the storm continued cloaking the mountains with a mantle of white, 4 to 12 feet deep and drifts 20 feet high. Mountain communication wires went down and the days passed with no word of Bodine.

Eagle Scout Jack Orswell Presented the Silver Palm

Eagle Scout Jack Orswell of Troop 374 was presented by M. W. "Don" Donaldson, Rose Bowl District executive, with a Silver Palm, one of the very rare awards in Scouting, at the Area Court of Honor held in the Pasadena High School Auditorium on Tuesday evening.

Statistics indicate that this award, requiring the earning of 15 additional merit badges after becoming an Eagle Scout, is awarded to only one of each 80,000 boys entering Scouting.

Another highlight was the presentation of a talk on "Mountain Safety" by Ray Anderson of the Sierra Madre Search and Rescue Team, as was the presentation with film on "Mouth-to-Mouth Resuscitation" by John Macadam, director of Safety and disaster Services of the Pasadena Chapter of the American National Red Cross.

Under the leadership of John Kingsbury, members of the host troop, Troop 373, presented and retired the colors.

An inspiring invocation was given by Rev. Armin W. Hesse, pastor of Faith Lutheran Church, and his benediction was a moving one.

Merit badges and advancements up to First Class Scout were presented by units. Star Scout awards to David Morzov and Greg McLaughlan of Troop 382 were presented by John O'Grattan, Rose Bowl District chairman, and Life Scout awards were presented by Scouter Rod Bray to David Lindberg, Troop 373; David Bell, Troop 374, and Stephen Cagle of Troop 382.

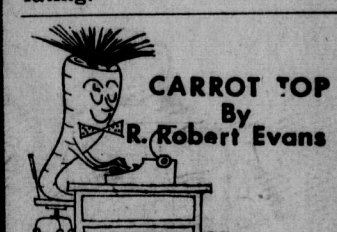

Carl Bischoff, Rose Bowl District vice chairman, conducted the attendance count for the "Oscar" and award.

Highlander Holds Date

The contest to find "Miss Highlander '67" has gathered so much interest that the Burke Boys have decided to hold over the entries and close the contest with the selection of the beauty queen on Saturday, June 3.

Three prizes will be given, and selection will be by independent judges. To be eligible, you must be 17 to 24 years of age and unmarried. Make your entries today at the Highland Liquor Store. The prizes will be worth the effort and the honor stimulating.

I always get a big thrill out of presenting the Sierra Madre Perpetual trophies to the managers and team in the Sierra Madre leagues. Sometimes we wonder who is the happier—the boys who do the playing or the managers. Anyway, Opening Day at Heasley Field was a great thrill to a great many people.

Of course, behind these boys and the managers are the girls under the leadership of Yvonne Osti of the Sierra Madre Baseball Association. These girls are working months and months ahead of the opening, so the opening will be the grand success that it was.

Of course, one of the great big cogs in this machinery is the sponsors. Without them, thank God, we could not have our baseball season.

Remember these merchants when you get your "take home pay" (you have to take it home, it's too small to go anywhere else with it), but spending your money with local merchants gives them the necessary to sponsor the teams. I compliment them very highly.

Our congratulations also go out to our new Fire Marshal, Richard Ludden. He's a good man, ranking top with the state examination, various departments of the area in the "oral" and, of course, tops with all members of the City Council. tops with the Chiefs of the Monday should see him in there "pitchin'" for fire prevention.

Congratulations are also in order for our new City Engineer, Larry Adams, who took over Monday, May 1. He is a well qualified engineer and we expect to see some progress made in that area in the months ahead.

Well, I heard the other day that the Sierra Madre News was for sale again. "Tain't so, folks," tain't so. I do hope the person responsible for these stories is receiving some satisfaction in telling this yarn to people, but to me it only makes him out as a prevaricator, or a person who does not know what he is talking about.

It used to be that about every year I had to rededicate myself to the public and tell them that the paper is not for sale, and that I have no idea of selling it, but of late seems that the stories crop up again every three months.

To tell you the truth, I don't feel there is enough money in the world to buy me out at the present time. . . . I just wouldn't sell my right to remain around here and see what is going to happen next. . . . I am having a ball watching the fantastic developments and enjoying every minute of it. . . . It just isn't true, and if it ever is, you will hear it direct from me, and you will be among the first to know, and as I figure it right now, that will be in about eleven years from now. . . . Sorry!

If you ever want all of your blues to turn into sunshine, just get Dr. John Woehler on the phone some day when he isn't busy. . . . I guarantee you that within the first 60 seconds he will have you reveling in joy and laughter. . . . He's a great guy, even if he does wake me at 2 a.m. to celebrate St. Patrick's Day.

The new brochures for the Parks and Recreation are now out, and even discounting the fact they were printed by the Sierra Madre News, they are real nice. They are the last accomplishment of Dick Dodge

Census Bureau Visits Homes

Questions about overtime work and earnings as well as about under employment will be asked of local householders by Bureau of the Census interviewers the week of May 14. Director Leonard C. Isley of the Census Regional Office in Los Angeles announced this week.

The information obtained through this supplement will provide data on the underemployed in addition to the usual monthly figures on total employment and unemployment. This information is collected through the Bu-

reau's regular monthly Current Population Survey for the U. S. Department of Labor's Bureau of Labor Statistics.

The identity of the households questioned will be kept completely confidential, and the facts obtained will be used only for statistical purposes. The same questions will be asked of all households in the survey throughout the United States.

Part-time Bureau interviewers, with official U. S. Department of Commerce identification cards, will be visiting selected addresses in Los Angeles, Orange, San Diego, Riverside, San Bernardino, Ventura, as well as other counties in the state collecting this information under the direction of Mr. Isley.

Nothing like a pet! Nancy Wittig can tell you. I saw Nancy and her friend, Elsie, downtown last Wednesday, May 3, with Chipper, Nancy's 10-month-old rooster. They had his blue collar off and were trying to hold him, but to the girls' dismay, Chipper found entertainment in pecking the twenty little fingers that were keeping him from roaming around.

Cub Scout Pack Holds Annual Junior Olympics

Cub Scout Pack 381 held its Second Annual Junior Olympics on Sunday, April 30, at Sierra Mesa School playground. Twenty-nine Cub Scouts, wearing tee shirts they had decorated with the Olympic Shield, competed in three age groups for trophies and medals donated by local merchants.

The boys competed in seven events: basketball free throw, 50-yard dash, baseball distance throw, base running, football punt, running broad jump and obstacle course.

Leo Fisher, chairman of this event, presented the awards to the following boys: Age 10—First, Glenn Lambdin; second, Jim Hollway; third, Brad Buckley. Age 9—First, Steve Udell; second, John Donaghy; third, Brian Mullins. Age 8—First, Steve Fisher; second, Dave Sidle; third, Tom Lopez. Ribbons also were awarded for the first three places in each event.

Awards were donated by Arnold's Hardware, Sierra Madre Hardware, Toy and Patio Village, Highlander Liquors, J. M. d. Richfield Service and Byron C. Hopper, Jeweler.

'PEPTONE' By ALICE MANG

Our medical sources tell us that there is a wild epidemic raging about the local pop scene. The symptoms are a throbbing pulse, pounding beat, and loud twangs of three electric guitars. The type of fever is caused by a group known as The Plague. The disease is not fatal, but it is overpowering.

Columbia Records has just signed on this groovy new group. The Plague, who have actually been together about two years, have finally progressed closer to their ultimate goal of being able to have a hit record and being loved by thousands of teens.

All of the guys are from Arcadia and all will graduate this year from Arcadia High. They include: Ken Wiedaw, lead singer; Jim Hall, bass guitarist; Tom Wyper, lead guitarist; Jack Wadley, drummer, and Dave Phlen, rhythm guitarist.

Traveling is one of the boys' favorites and they have some hope of doing just that this summer. Some of their traveling, previously, has included playing at the Hullabaloo Club in Hollywood and the Glendale Ice House.

"Contagious," "Suspended," "Battery Acid," "Just Takes Time," and "I Was Blind" are just a few of the numbers turned out by the group in the past. All the boys write songs except Jack who is too busy keeping up the fab beat of his drums.

Plague does not imitate any other group; they have their own sound and act. Their favorite other groups are the Byrds and the Jefferson Airplane, though. As Jim recently put it, "There is a lot of potential in the group. We are all very confident that with the excellent management of Jay Torrey and Dwight Espe and with our new connections at Columbia Records, there will be a very bright and exciting future in store for us."

First Regular May Meeting

The first regular club meeting in May for the Sierra Madre Woman's Club will begin at 11 a.m. in the Clubhouse, 270 W. Sierra Madre Blvd., on the 10th.

At the morning session Mrs. James R. Vine, from the Verdugo District, CFWC, will give her talk on "Membership," according to the president Mrs. Pierre Doreis. Plans will be discussed for the upcoming "Philanthropy Party."

Every year the proceeds from one extra special party are donated by the club to some local project. For several years the affair has benefited the "Cemetery Improvement Association" and will continue to do so, in keeping with the club's interest in civic affairs.

The party is open to the public and all civic-minded citizens, whether male or female, are urged to take part; as all probably realize that the plot of ground down there, on the most important through street, needs attention. Merchants are always very cooperative in donating prizes.

Advertising is in the hands of the artists in the club, with Mrs. Lydia Maricq at the helm. Tickets are being handled by Mrs. Raub McKim, and the day's luncheon is headed by Mrs. Flora Anderson. Table favors are by Mrs. Henry Wade Sr. and Mrs. Archer S. Frey, with all club members assisting here and there.

After luncheon on the 10th there will be a showing of pictures of the "Holy Land" and accompanying lecture by Mrs. Caroline Thayer, who has just returned from one of her trips abroad.

Mrs. C. C. Dibbern and Mrs. Luncheon is in charge of J. A. Dewar and reservations will be taken by Mrs. Georgia W. Kirby not later than Tuesday noon at 355-9174.

Honors Six High School Students

Members of the Shakespeare Club will honor six outstanding girls from area high schools at the Annual Award Luncheon Tuesday in Stratford House.

Mothers of the young women and the principals of their schools have also been extended invitations to the event by Mrs. Roy J. Buchanan, chairman educational interests committee, and Mrs. Kenneth La Mond, public affairs chairman.

A U.S. Savings Bond will be awarded each of the following students toward continuing her education: Linda Larsen, Marnia Kemmon of

School Students

Pasadena High School, Emily Siegel, Norene Cass of Muir High School, Christine Grizzard, Patricia Ready of Blair High School.

Annual reports of the welfare chairman and the treasurer will be made in the club auditorium during the business session, presided over by Mrs. James C. Chambers, president.

A most interesting afternoon program is planned by Mrs. Harvey H. Gunn, program chairman, who will present Eve Blake, writer-lecturer. The speaker will let the audience in on secrets that can make life richer, fuller and more joyous in "Laugh at the Years."

Barber Shop Quartet Sings At Music Center

Society for the Preservation and Encouragement of Barber Shop Quarter Singing in America has a busy spring and early summer schedule. They perform in the Los Angeles Music Center May 19. A 20-chorus district contest in Fullerton is planned for May 27. The largest event though will be in July when they hold their International Convention in Los Angeles.

These talented men perform to finance and sponsor one of the world's largest institutes of logopedics. The institute is a giant rehabilitation center for speech and hearing problems.

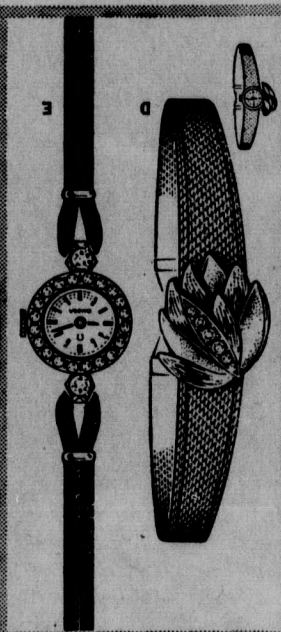

It offers 24-hour care, special education, occupational therapy, physical therapy, residential program, research and total rehabilitation. It has 144 cottages and foster couples on its campus to care for the children and keep them in a family type of atmosphere. No more than three children are allowed per cottage and couple.

Mr. Francis Eakman of Sierra Madre is an active member of this worthwhile and talented organization. He and his colleagues invite the public to enjoy that fabulous program at the Music Center.

ONCE UPON A TIME . . . (and this is no fable) we were able to quote an airline fare to any destination in a matter of seconds.

TODAY WE BEG YOUR PATIENCE, FOR THERE ARE:

Affinity and non-affinity fares
Youth fares and shuttle fares
Emigrant fares and military fares
Charter fares and pro-rata fares
Day coach jet and night jet fares
Thrill-class jet and L-class jet fares
Children's fares and infant's fares
Tourist class propeller and first class propeller fares
Excursion fares for 17, 21, 30 and 90 days
Family-plan fares at 1/3, 2/3, 1/2 and 3/4
Group fares for 10, 15, 25 and 40 passengers
ITC and ITX fares
ITBX and GIT fares
Fares for birds (caged and uncaged)

. . . and even for the cello occupying a seat IF YOU HAVE NOTHING BETTER TO DO . . . YOU CAN FIGURE YOUR FARE YOURSELF . . . BUT OUR ADVICE IS . . .

UNLESS YOU'RE A TRAVEL AGENT . . .

YOU NEED ONE !!! I ran across the above in a trade magazine the other day, and it so amused me I decided to share it with you. On top of all the above-listed fares the price of your ticket may also depend upon what time of day or what day of the month you take to the air. Also, if you're traveling with an infant, whether or not you're flying across water. There is a fare for golf bags, accompanied by 11 clubs, 2 shoes and a supply of balls. And between Los Angeles and New York you may utilize 17 fares.

HOW ABOUT THAT !!!

Casa Colina 25th Annual Meeting

Announcements for Casa Colina Rehabilitation Center's 25th annual meeting, to be held June 7, Walnut Valley Country Club, Walnut, were in the mail this week to hundreds of donors, friends, officers, and directors, as well as guests who will be honored with special awards.

The membership appeal, a tradition at Casa Colina, provides funds for direct assistance and patient care through the scholarship fund maintained at the Rehabilitation Hospital for the physically handicapped. In addition to an awards presentation for outstanding volunteers and a report of the year's activity, members will elect new directors to the 30 member board, who in turn elect principal officers for the ensuing year. A major address relating to the Center's work is planned as part of the program, as well as a report of the ten-point long range development program, now in its third year.

New services and programs expected to be included in the final report include

installation of an x-ray unit, licensing as a specialized hospital, establishment of a diagnostic and evaluation service, and installation of an Audiology Center.

Highlight of the year's report will be a review of the first phase of an affiliation program with the Department of Physical Medicine and Rehabilitation at Stanford University's School of Medicine, begun in January of this year.

Clothes Hanger Drive Held By Ascension Church

Don't throw away your surplus clothes hangers! Ascension Parish School, 25 E. Laurel, is conducting a clothes hanger drive and students will be collecting hangers all over the area. Any resident who has some to be picked up may call the school office, 355-7276. The drive ends May 26. The principal is Sister Valasta Mari.

Any organization interested in conducting a clothes hanger drive may write Box 52, San Dimas, Calif. 91773.

Women Voters On Sunday Radio

The League of Women Voters of Pasadena and Radio Station KPPC-AM (1240), FM (106.7) present "Timely Topics" Sunday at 7:30 p.m., following the rebroadcast of the morning sermon.

Watch for May 14: "The Subject Is Water." Jane Murphy, local director of the national and State Water Study and Helen Glass, State Director of the Water Study in 1959-1961, will interview Dr. Jack McKee, professor of Environmental Health En-

gineering, Caltech, and international authority on water standards, and Dr. David S. Wood, immediate past-president, San Gabriel Valley Municipal Water District, and advocate of use of reclaimed water in Southern California.

June 4: "The States Under Reapportionment," a speech by William J. D. Boyd, senior associate, National Municipal League.

On May 21, same time, there will be a repeat on, "Reshaping Chinese Society" from the international conference held in Chicago. Dr. Francis L. K. Hsu, chairman of the Department of Anthropology, Northwestern University, will speak. The informal discussion, following the speech, will have professors Jan Myrdal and Franz Schurmann as participants.

Adoptive Parents Meeting May 17

Mrs. Patricia Boquist, an instructor in parent effectiveness training, will discuss "Effective Parenthood," at the next meeting of Adoptive Parents' Association on Wednesday, May 17, at 7:30 p.m. at the Glendale Federal Savings and Loan Building, corner Woodman and Riverside Drive, Sherman Oaks.

This event is open to the public. No admission. Calls are being taken by Mrs. David Prior, 761-5468 and Donald Mayfield, 764-1904.

Education is America's biggest business. It has the largest number of stockholders, most employees, most valuable physical plant, utilizes our most valuable raw material. It affects the greatest influence on U.S. and on the world of any business or industry. And it is a business that operates to help, not to make money.

ECWGC Celebrate Fifth Birthday

The Eaton Canyon Women's Golf Club celebrated their festive fifth birthday party, Tuesday, May 2. The party, held after nine holes of golf was highlighted by the birthday cake and exchange of gaily wrapped white elephant gift exchange.

The big chuckle of the day was Hoot Whitaker, Eaton Canyon Pro, presenting the prize white elephant gift of the day, a huge wooden sail fish! The event ended with a putting tournament, best putter in "A" Flight, Nicky Riordan; "B" Flight, Peggy Simpson; "C" Flight, Doris Pooler, and "D" Flight, Ray Doyle.

SM Historical Society Holds Annual Dinner

Several innovations will be part of the annual dinner program of the Sierra Madre Historical Society, Monday, May 15, at 6:30 at the Sierra Madre Woman's Club, 270 W. Sierra Madre Blvd.

A representative of the Junior Historical Society Roy Doty, will tell what the Junior Historical Society is doing besides making posters for publicity. A tape recording of an interview with a long time citizen by Mrs. William Keith will be heard. The significant accomplishments of the Historical Society during the past year will be related by the president, Mr. Raymond D. Andrews.

An after-dinner talk by Dr. Giles T. Brown of the California State College at Fullerton will entertain and enlighten as he presents "Ships That Sail No More." As an historian and a world traveler he tells a little known story of famous shipping lines on the Pacific and their part in the development of the West.

The chairman of the arrangement committee is Miss Clara Sykes. The decorating committee includes Mrs. Gladys Carter, Mrs. Convers Twycross. The ticket committee is Mrs. Lolita Osborne and Mr. Roy Pickett. Reservations may be made with Mrs. Louise Misemer, telephone 355-4405, or Mrs. Raymond Andrews, 355-9588. The meeting is open to anyone interested. Please make reservations before Friday, May 12.

A man of few words has to swallow fewer.

The last meeting of the Pasadena Welcome Wagon Club was held at the home of their recording secretary, Mrs. Andrew Salmo of Sierra Madre Villa.

This was a luncheon meeting. The speaker for the day was Mrs. Mary Cherry, the well known Graphoanalyst. Her accuracy in reading their handwriting was most unnerving but loads of fun.

Mr. George Sanders is completely ambulatory again and has just returned from a fishing trip to Mammoth with his brother, Mr. Fred Seech, Mr. Peter Scott, and Mr. Harry Semberg. They all caught their limit every day they were there.

Mr. and Mrs. Ed Schwartz of Claremea had occasion to renew their acquaintance with one of Mary's former PCC students from her class in English for the Foreign Born. The young woman is Najmeh Najafi from Iran, Persia.

The meeting was at a party in honor of Najmeh and Helen Hinkley Jones to celebrate the publication of their third book, "A Wall and Three Windows."

The reception was held at the home of Mr. and Mrs. James Townsend and was widely attended by people of the literary world.

Najmeh is a wonderfully kind person. She is a member of the royal family of Iran. But instead of staying in her royal domain she chooses to go out among her people educating them.

When she came here eight

Thomas Jefferson published the first accurate list of birds in his area, classified the wild animals, and noted the fossils of prehistoric animals.

Clouds in your life? Without clouds, there would be no rain, no crops, no flow-

years ago to study she made a point of learning many arts and crafts so that she could in turn teach her people in order to make them productive and self-sufficient. Three years ago she came again to this country via Care. At that time she brought an exquisite maroon coat completely embroidered in a rainbow of silk by herself in the manner of her people. At the present this type of stichery is almost a lost art. It is a beautiful ornate garment used for weddings. She presented it to the city of Pasadena as a gesture of gratitude for the many favors she had received from our people.

The Cystic Fibrosis Guild Golf Classic was held a weekend ago at the Santa Anita Golf Club, with the first couple in the mixed couples to tee off at noon.

Don't know just how the scoring was accomplished, but when the final count was in the first place trophy was won by Mrs. Robert Mueller (sorry about that Nancy) and Mr. Tony Boland. The second place trophy was won by Mrs. Forrest Paxson and Mr. Ron Wint, and the putting trophy was won by Mr. Chuck Eldson.

Mrs. Wells Pleas was chairman of the tournament.

We Haven't Chosen Her Yet . . . We're Looking For .

SUMMER HAS COME, OR HAS IT?

One day I think summer is really here, and then the next day it either looks like rain or it does and then, it gets real cold and "winter" sets in again. Well, since I wanted to talk about the sun, we will either have it or have to imagine that it is shining and it is summer — hot outside.

Did you know that people with fair complexions were never meant to live in this bright, shiny place we call Southern California? At least that is what our dermatologists tell us. They say that the native people in the warmer and sunnier climates generally have darker skins, and therefore are better adapted to the more intense sun's rays of our latitude.

They tell us that getting tanned is really one of the most dangerous and harmful fashions that we have! (Sitting in direct sunlight is only good for PLANTS . . . they have chlorophyll and we don't . . . they need sunlight but we could easily get along indoors!)

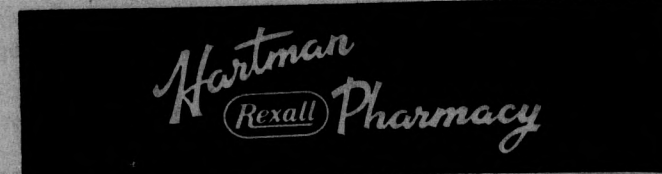

If you are a Blonde or have a light complexion be REAL CAREFUL this summer. Sunlight affects all the layers of the skin, including the deeper layers, and can cause the aging effects of sagging and wrinkling. Over-exposure, or prolonged exposure can accentuate the pigmentation of the middle skin layer causing the brown patches we call "liver spots" or even those scaly reddened spots that may develop into skin cancers.

Again, do be careful this summer! We at Hartmans want all of our friends and customers to be well and happy. If problems arise see your family physician early. He will give you the best and proper advice, as he always does.

Senior Citizens

Members are requested to
bring flowers next Saturday,
May 13, for the Mother's Day
celebration.

Following luncheon, pro-
gram chairman Lola Bullock,
introduced the afternoon's
program featuring Mr. Don
Amori, distinguished guitar-
ist of San Marino. His guitar
selections were mostly of
Spanish origin covering the
favorite music of the various
provinces. Explaining that
Northern provinces favored
the soft toe type of dancing
and the Southern, the
stomping type, he gave the
following repertoire: "The
Alhambra," Moorish tradi-
tion; "The Fandango," the
mountain people of Spain;
"Malagania," Spanish penin-
sula music; "Inca Dance
from Peru," more of a pic-
ture than a song; "Grana-
dina," Flamenco background
to singers; "Central Europe,"
the Renaissance period imi-
tating the flute.

Mr. Amori ended his pro-
gram with the all time fa-
vorite "La Paloma." All num-
bers were enthusiastically
received.

Browns Celebrate Son's Marriage

A champagne-toasted, 80-
guest open house was held
Saturday, May 6, to cele-
brate the marriage of Cheryl
Shaffer to Richard Brown.
The party was hosted by Sid-
ney and Lorraine Brown of
68 E. Alegria, the bride-
groom's parents.

The couple met while
Richard was stationed at
Fort Meyer, Virginia, in the
famed military escort, the
Old Guard. He served there
for a year and a half. The
main purpose of his unit is
to be an honor guard escort
to dignitaries and heads of
state. They were married in
Washington, D.C., on March
18.

They are now living in
Pasadena where Richard is
a full-time student, with a
pre-law major, at Pasadena
City College. He plans to
transfer to University of
California at Irvine at the
end of this semester.

Fire Call On Sunday

Fourteen regular volunteer firemen and reserves answered a fire call at 4:07 Sunday afternoon to the home of Ralph B. Foley, at 400 N. Baldwin.

The first wave of men arrived 1 minute and 8 seconds after the alarm, Crown Truck No. 4 arrived 3 minutes 14 seconds later to find the brush in the rear of the home in flames. The flames were extinguished and truck and men release in 18 minutes.

Mr. Foley had been trimming brush at the rear of his home and evidently had dropped a cigarette unnoticed. Leaving his work for dinner, he later glanced out of the window and saw the area afire. No damage resulted from the fire.

Final Plans

Mrs. Edna Faller will be hostess to the American Legion Auxiliary, Unit No. 297, Thursday evening at her home, 55 Olive St., at 8 o'clock. Final plans for Memorial Day and Poppy day will be made at this time.

CSE Has 'Jobs for Graduates'

Previous Graduate Months have been so successful in finding jobs for June grads that the campaign has been firmly established in Pasadena as an annual event, according to E. A. Wright, manager of the California State Employment Service's office at 1207 E. Green St. in Pasadena.

From now through June, "Jobs for Graduates" will be the slogan of the Pasadena office Wright said. His office will join with other California State Employment Service offices at 22 locations in the Los Angeles Metropolitan area in an all-out job finding campaign directed by Arthur Morgan, manpower administrator of the area. Morgan conceived the G-Month program in 1963, Wright said, and it has grown in scope each succeeding year.

The number of graduates who find their first permanent, full-time job, through a G-Month interview, varies with the condition of the labor market, Wright explained. In June through September 1966, however, 527 youths were placed on career-type jobs by the Pasadena office.

All participating offices and Youth Opportunity Centers of the California State Employment Service will be open on two Saturdays—June 3 and 10—during G-Month. On these days employers will be provided with facilities for interviewing graduates, Wright said. Any employer seeking entry-level workers is invited to telephone 449-1213 and a desk will be reserved for him on one or both Saturdays.

No fee is charged for any service of the California State Employment Service, Wright emphasized, and he urged all local employers to take advantage of this opportunity to recruit top-quality workers.

'Hire A Veteran Week'

Pasadena Mayor Boyd P. Welin, noting that "young veterans are returning every day in increasing numbers" from Vietnam to join older veterans of earlier wars in the quest for jobs, today joined veterans groups throughout the state in proclaiming the week of May 7-13 "Hire A Veteran Week."

The annual observance is held to draw the attention of employers throughout the state to occupational qualifications of veterans.

"Hire A Veteran Week" is enthusiastically supported by the Pasadena Veterans Employment Committee whose members are: Llewellyn P. Griffith, American Legion Post No. 13; Edgar H. Brockleman, American Legion Post No. 280; Joe Broussard, American Legion Post No. 526; Barnard B. Reals, Commander, DAV Chapter No. 29; Otto F. Nass, Veterans of World War I, and Cyril Waite, VFW Post No. 1053.

Mayor Welin said that employers can be assured that veterans when qualified will receive priority of referral to job openings when the job vacancies are listed with the California State Employment Service.

THE HOT ONE HITS TOWN!

GOOD YEAR WIDE BOOTS

(New Wide Tread tires from Goodyear)

\$35.95
AS LOW AS

- Hot, because Wide Boots give your car that racy, low-slung, hungry-for-the-road look
- Almost one-third wider tread than ordinary tires for more plus traction in starts, corners and stops
- Track tested under special conditions at speeds up to 130 MPH
- Built stronger because they're built much like racing tires to deliver the stability, strength and ride needed for today's breed of powerful cars

Sitting here at the typewriter thinking about Mother's Day and ready to write a real tear jerker on the subject. My ever-lovin' kids rebelled and advised me not to get sloppy about the whole thing.

Drawing my bent old bones to my full stature I reminded them in dulcet tones that a mother is something to get sloppy about and after all wasn't I their MOTHER? Seeing that they were walking on a very thin piece of ice they reluctantly admitted that yes, that was true, I am their mother, but it really wasn't their fault. Now, how do you like that?

Here I am, doing my best training these lovely children in all the household arts such as washing, ironing, doing dishes, waxing floors, washing windows, and all of those little fun things they must learn to do before I will allow them to grow up. Are they grateful? NO, just can't understand it, they'd much rather be doing other things like watching TV, or going to the beach, or just kicking stones. I ask you, what's a mother to do?

Truth of the matter is I do feel kind of silly on Mother's Day. Poor kids just don't quite know what to do. Tradition and commercialism has demanded that they make certain concessions on the second Sunday in May and that "SHE" should have special consideration at least this one day of the year. Makes me feel kind of awkward cause I know they are flubbing around trying to be particularly nice when in truth, they are good to me most of the time. It always strikes me that Mothers have ever so much more pleasure from their children as their children do from them and it should be a day of celebration because they were so privileged. (Don't

know why I'm knocking such a good racket — Maybe next year it will be children's Day instead of "MY" day. I'll just never learn to keep my big fat motherly mouth shut!)

Just went to the most fabulous party given by the Forrest Paxsons and the Dominic Giangregorios last Friday evening. What else could it be on May fifth but a Cinco De Mayo party?

Their invitations were the most unique I have ever seen. They were posted in a four inch square box with Mexican designs hand drawn on the sides. Inside, wrapped in white tissue was a small pinata with a miniature Mexican hat on top. You were directed to pull a ribbon tape and out popped the invitation.

You don't need to be told that the party was in the Mexican motif from start to finish and that included a delicious dinner and music by the "Tijuana Tin." It was held at the Giangregorios' home and dinner was served in their partially completed new room.

The guests invited were Mr. and Mrs. Charles Eldson, Mr. and Mrs. Allan Stearns, Mr. and Mrs. Phil Shepherd, Mr. and Mrs. Warren Bacon, Mr. and Mrs. John Hedrick, Mr. and Mrs. Henry Smither, Mr. and Mrs. Charles Golds-worthy, Mr. and Mrs. James Smith, Mr. and Mrs. Ernie Maurin, Mr. and Mrs. Gene Rode, Mr. and Mrs. Charles Hardison, Mr. and Mrs. Don Hays, Mr. and Mrs. John Roberts, Mr. and Mrs. Bud Holloway, and Dr. and Mrs. Bob Mueller.

Also included were Mr. and Mrs. Gordon Wright, Mr. and Mrs. Tony Boland, Mr. and Mrs. Robert Farmer, Mr. and Mrs. Matt Slavin, Mr. and Mrs. Ken Christianson.

"Let's Talk Dry Cleaning"

by Joseph Delgatto, Sr.

Most of the words that can be said about Mother's Day have already been said . . . many times. But we don't think this well-worn quality takes anything away from the sincerity of this tribute . . . a special day set aside for the woman whose tireless patience and work and understanding are so often taken for granted throughout the year.

It would be a nice idea if, in addition to the gifts and nice words we give on Mother's Day, we could also come up with some tangible things to do all through the year . . . small acts of thoughtfulness that could make her task easier and remind her that Mother's Day is not just a passing thought one day a year.

Clothes care, for instance, is something that is usually left to Mom. Chances are she'd appreciate Dad going through his ties himself to see which ones have spots . . . and set aside the slacks or suits that need to be cleaned and pressed . . . emptying the pockets, too, so Mom doesn't have to check them! It's a good habit to get into.

The convenience, efficiency and low cost of our dry cleaning does a big job for mothers . . . a job we take pride in doing well. Free motherproofing on everything we clean.

SMA Crippled Children's Guild Annual Invitational Dinner Dance

From Greek mythology, the Sierra Madre Auxiliary of the Crippled Children's Guild chose Hebe, goddess of eternal youth, to be the symbol for their Bal Mystique—1967, the annual black-tie invitational dinner dance to be held on May 20 at the Stuart Building in Pasadena.

The proceeds from this annual affair will benefit Orthopaedic Hospital, which derives its name from two Greek words meaning straight child, the ultimate goal of the thousands of crippled children from all over the world who come seeking help.

Mrs. William B. Gibson, ball chairman, and her committee have drawn inspiration from the legend of Hebe who had the power to restore youth and beauty by bearing cups of nectar to the gods on Mount Olympus.

Guests accepting their bid to Bal Mystique will be greeted by doormen clad in tuxedos, velvet mantles and gold helmets, setting the mood for revelry in the Grecian manner. The Kiwanis-sponsored Key Club of Pasadena High School have volunteered the valet parking service.

Elementary School Menu 35c TRAY LUNCH May 15 - 19, 1967

Monday — Chopped steak gravy over mashed potatoes, celery sticks, cherry sauce, raisin batter bread, and milk.

Tuesday — Hamburgers with fixings of lettuce and dill slices, buttered beets, orange juice gelatin, and milk.

Wednesday — Burritos, buttered peas, green salad, chocolate pudding, buttered honey corn bread, and butter.

Thursday — Toasted cheese sandwich, buttered spinach, grapefruit, orange cake, bread and butter, and milk.

Friday — Oven grilled fish and tartar sauce, buttered green beans, prunes, goody goody bars, bread and butter, and milk.

Menu subject to change.

A tall Hermes, herald of the gods, will announce the guests as they descend the stairway to the ballroom glowing with tall tapirs, set around statues of Hebe reflecting in mirrors on each table.

The buffet table will be decorated by a graceful sculpture of Terpsichore, muse of Dancing, and a Grecian urn filled with ferns and red roses. Music for dancing will be provided by Jim Nichols and his orchestra.

Mrs. Edward M. Sevadjan, auxiliary president, and Mr. Sevadjan will head the receiving line which also will include Mr. and Mrs. Gibson and Mrs. Paul Barksdale d'Orr, founder and sponsor of the auxiliary, and Mr. d'Orr.

Committee chairmen assisting Mrs. Gibson are Mrs. Edward E. Riggs, decorations; Mrs. G. Norman Kennedy, invitations and reservations; Mrs. Nick R. Argy, program; and Mrs. Roy W. Lindberg, door prizes; Mrs. Charles I. Corp, patrons, and Mrs. James A. Nickoloff, publicity.

In addition to the annual ball, the 28 members and provisional sponsor a bridge tournament each year and recently inaugurated a memorial fund, for which donations can be made to the auxiliary by family or friends to honor a birthday, anniversary or the memory of someone dear to them. This fund will help finance braces for the crippled children. As the least expensive brace costs \$165, and must be replaced often as the child grows, the need is constant.

Besides fund raising, the four-year old auxiliary serves in many areas of the hospital including feeding the handicapped children, staffing the information desk, audio visual department and assisting the doctors in applying plaster casts.

O, would some power the gift would give us, to see others, before they see us.

Some men carve out a career—others just chisel.

Bill Henry Speaks At Occidental Women's Club

Bill Henry, Washington columnist and Occidental graduate, will speak on "Occidental Families I Have Known" at the final Occidental College Women's Club meeting for the year on Friday, May 19. Dinner, starting with a social time at 6:15 p.m. in the Freeman Union Lounge and dinner at 7 p.m. in the south dining room, is "Family Reunion Night" for OCWC members as fathers and students are welcomed.

Mrs. E. D. Yeomans, president and daughter of Bill Henry, will preside and present a check to the OCWC Endowment Fund totalling the year's fund-raising activities, to Occidental President Richard C. Gilman. Four Honorary Life Memberships will be awarded — Miss Janet Hoyt, Occidental Comptroller, Mrs. E. D. Yeomans, OCWC president, 1966-67, Mrs. King Robey and Mrs. Joseph Sheffert of Pasadena.

Bill Henry's ties with Occidental date back to 1910, as he is a 1914 graduate. Three daughters and four grandchildren are also Occidental graduates — plus seven assorted nieces, nephews and "in-laws" to qualify him as an expert on "The Occidental Family."

Taxation Hears Tax Assessors

Taxation invites the public to come to their meeting to hear and question two outstanding spokesmen in the field of tax assessing.

Harry Crown of Van Nuys, is creator of "Watson's Wasteland." Howard Jarvis is head of the group which plans an initiative petition to abolish property taxes. These men will speak Thursday, May 11, at 8 p.m. in the Pasadena American Legion Hall.

A special meeting will be held on May 23, at 7:45 p.m. at 362 W. Colorado. A debate on school bond taxes and tax impact on re-districting is the evening's topic.

Leading authorities from school district have been invited to speak. Audience participation is encouraged.

Sierra Madre Students Placed On Honor Roll

The following students residing in Sierra Madre have been placed on the Honor Roll for the third quarter of this school year.

To be placed on the Honor Roll a student carrying six subjects must have a total of at least 21 grade points and a student carrying seven subjects must have a total of at least 24 grade points. Grade points are assigned on a basis of "A," four points; "B," 3; "C," 2. This means that a student must have a 3.5 average (A—), in addition to a citizenship grade average of "Good" or better.

Seventh grade: Barbie Bevington, Paul Campbell, Debbie Cathers, Vicki Clancy, Debbie Cohen, Betty Colbert, Jim Dancy, Kathy Davis, Patty Davis, David Denison, Stacy Dyer, Debby Edward, Elizabeth Geir, Cheryl Gordon, Germaine Guyod, Linda Hill.

The price of electricity has dropped 34% since 1939.

That's a switch.

Just about everything else has gone up.

But not the price of Edison electricity.

A kilowatt-hour has gone down in price 34% since 1939.*

Then how come your electric bill isn't lower today?

Answer: you're using a lot more electricity today. The typical home uses electricity 40 different ways.

Of course, being investor-owned (we have approximately 145,000 stockholders, many of whom are customers) gives Edison an added incentive.

We have to do our level best to keep electricity abundant and low in cost.

The "boss" is all around us.

*The average cost of a kilowatt-hour of electricity to Edison's residential customers today is 34.4% lower than in 1939.

CITY OF SIERRA MADRE, CALIFORNIA

NOTICE INVITING BIDS FOR SUPPLEMENTARY STORM DRAIN PROJECTS

(FLORAL DEBRIS BASIN RECONSTRUCTION)

Sealed proposals will be received at the office of the City Clerk, City Hall, 55 West Sierra Madre Boulevard, Sierra Madre, California, until 10:00 a.m. on June 8, 1967, for Item No. 2 only of Supplementary Storm Drain Projects. The work includes furnishing all materials, labor, and equipment for the construction of improvements to the Floral Debris Basin. The work is located within the City of Sierra Madre. All work must be completed within 60 calendar days after execution of the contract by the City.

The proposals will be publicly opened and read in the Council Chambers of said City on the date and at the time above mentioned. Plans and specifications and all contract documents may be obtained at the Sierra Madre City Hall upon payment of a deposit of \$10 for each set of specifications and accompanying drawings. Said deposit will be refunded upon return of the specifications and drawings in good condition within 30 days after the proposals are opened. The specification is entitled "SPECIFICATIONS FOR SUPPLEMENTARY STORM DRAIN PROJECTS."

Each proposal must be accompanied by a certified or cashier's check or bid bond in the amount of ten per cent of the estimated aggregate amount of the bid as a guarantee that the bidder, if an award is made to him in accordance with the terms of his proposal, will promptly execute a contract in the required form, secure payment of workmen's compensation insurance, and furnish a satisfactory faithful performance bond and a labor and material bond. Each of said bonds shall be in the sum of not less than fifty per cent of the estimated aggregate amount of the payments to be made under the contract, computed on the basis of the price stated in the proposal. In addition to the above and if requested by the city, the bidder shall furnish a financial statement of recent date. Failure to comply with this requirement will render a bid informal and shall be sufficient cause for rejection.

Inspection of the site will be held at 9:00 a.m., June 1, 1967. Interested persons should meet at the site. All bids received will be reviewed and presented to the City Council on June 13, 1967. All bids shall be sealed and clearly marked on the outside "BID - FLORAL DEBRIS BASIN."

Notice is hereby given bidders that in accordance with the provisions of Section 1770 of the Labor Code, the City Council of the City of Sierra Madre has ascertained the prevailing rate of the per diem wages for each craft or type of workman or mechanic needed to execute the contract which will be awarded the successful bidder. FROM THE Fire Side

One thing, for sure, fires are like women, unpredictable, and you never know when the alarm will sound. Bobby Clark is close to the fire house, almost without fail, every day from 7:00 a.m. to 6 p.m. and when he's not there he's usually within running distance of the station; but just the one Monday morning he was out of town getting a new set of choppers, wouldn't you know, the alarm hit and one of the junior members got to roll to the blaze for his first time behinds the wheel on a call. But Evans had been practicing and he was ready for just such a situation.

Speaking of driving, last meeting night when the chief called for volunteers to drive in the July 4 parade Grippi forgot to volunteer, so it looks like he'll be a rider or a marcher. This is hard to believe. He must have been asleep or something. Of course, we could have snow on that day also. It's just about as believable.

One of the reserve firemen lives in the unincorporated area and when he had a fire at his home recently he had to called the county, instead of his own comrades. Well come meeting night they fined him for not calling the local boys, fair enough; but then they fined Joe Grippi for not answering the call that the fireman didn't make. Joe hollered, but he paid up. He one of the last of the good guys!

We wouldn't want to squeal but, you know, one of the best firemen on the department used to have quite a reputation with the palm trees and a match. Seems like the fire trucks would roll to the fire and the police would roll to his home; all at the same time. He sure tells a good story about the time he tried to run through a lattice work arbor when he was young, and almost got away. He made it through the lattice work o.k. but the two by four strung across the middle brought him to a screeching halt! And getting tangled up in the five gallon planter cans didn't do much to aid his escape either.

During instruction in the use of salvage covers a week or so ago Charlie Peterson kept losing his way and would end up in the police station. Can't help but wonder what the big attraction was in there.

Funeral Services For A. E. Better

Mr. Arthur Edward Better, at the age of 93, passed away May 1 in the Parkwood Convalescent Hospital after a lengthy illness.

He was a resident of Sierra Madre for three years at 153 S. Hermost. A native of Chicago, Ill., he resided in California for the last twelve years. He was a retired investigator.

Wednesday, May 3, at 11 a.m., funeral services were held in Ripple Mortuary Chapel under the conduction of Rev. David Howell.

Private committal was in Pasadena Mausoleum. Funeral services were arranged by Ripple Mortuary.

Most arguments seem to try to discover WHO is right, not WHAT.

You and Your Neighbors

Bert and Velma Embree and their family, returned to Sierra Madre for a few days to visit friends. This was the first time the Embrees have visited in Sierra Madre since they moved, January 1, after Mr. Embree became the Fire Chief of Morgan Hill, Calif. They arrived Thursday evening,

April 29, and stayed until the following Sunday. The Lewis Georges hosted a dinner party for them. Attending were: Thomas Schwartzes, Larry Bevingtons, John Goodalls, Mrs. Tal Morash, Charlie Browns, Edward Deckers, Marvin Thom-

ases, Bill Waites and Richard Johnsons. They brought slides to show their friends their new town and home. Cindy went to Wilson High for the day with Bonnie Embree, her cousin, and visited all her friends, Sons, David and Walter, visited their friends also. Don Embree, the oldest boy, stayed home while his family embarked on this enjoyably busy weekend.

Hasty Hens Wins Prizes On TV Show

Mrs. Ann Talmo and Mrs. Lorraine McGiven know how to plan fun times for the members of the Hasty Hen Club. Spring Luncheon and "Let's Make a Deal" were on the agenda for these ladies.

After two cancellations from the TV program, they finally received notice that Hasty Hens and guests were to be on Friday, April 28. During the double tapings that afternoon, two Hasty Hens won prizes, one on each program.

Mrs. Cass Woodworth won "Mommies Cookie Jar" for \$1,506. Mrs. Ann Hart won approximately \$800 in prizes. For their gag, the Hasty Hens made 5 piñatas, plus President Phyllis sported a piñata of a hen on a basket of eggs.

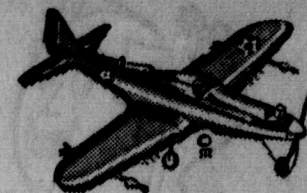

Eleven members and ten guests enjoyed the programs which were shown on television May 8 and 9 in the afternoon.

It was decided by the members to divide the funds and each member would send her share to her favorite charity. The appliances will be given as door prizes at different future club affairs. Ther's going to be many people made happy by this event.

When a person gets killed in war, it is slaughter; when in a car wreck, it is an accident.

Many have own homes, cars, TV sets and furniture—but how many have their own ideas—about anything?

A Search In Vain Sometimes Costs

formed a search party. Only three volunteered, Jake Vial, Donald Smith and Foulds. For five days the men shuffled across the mountains on snow shoes, dipping into deep canyons and topping frosty ridges. Bitter cold wind and snow added to their ordeal.

On the fifth day they found Hertwick at his cabin. He gave them food and coffee. When they reached Buckhorn at dusk, they found Bodine's burros. All of them dead from cold and hunger.

Donald Smith was lagging. Hayward, his face as gray as the sky, knew he must get Smith to the desert floor as quickly as possible. A light rain fell and then froze, coating the slopes with ice, adding to the hazards. The men started down the canyon. A heavy snowfall obscured their vision. Hayward swore he recognized a huge pine, and thought they were headed down the Burkhardt Trail. But they apparently lost their way on the saddle and wandered off on the Pleasant View Ridge. The going became so rough that often the men would remove their snow shoes, tie them together and use them as a sled to descend the snowy chutes. On the way down they lost the handle to the brush axe and the hand axe. Donald Smith, ill and growing weaker, tumbled from a ledge and fell waist deep in the icy stream.

The men inched their way down and held out a limb but Smith stared blankly. By force the men dragged him from the stream and lifted him to a tiny ledge. With only his knife, Ranger Hayward managed to hack enough wood from a trunk of a tree to start a fire.

"Smith's head would just roll around, his eyes open and staring. Then he would jump up and kick the fire all over the place," Foulds said. "Ranger Hayward wrestled him down and wrapped him in all of our blankets. Then he ordered

Vial and I to head for the desert to bring back help." It was dark when Vial and I staggered out on the desert floor. We followed a wagon road to a deserted shack. We gobbled down a can of beans left on the shelf and headed for civilization. We were picked up by a passing wagon and, taken to the Burkhardt Ranch (near Pearblossom) and given our first square meal in days."

Ranger Hayward, left alone on the ridge did all he could for the delirious Smith. With knife and hands he dug a depression in the snow to escape the wind, and lay down beside him to give him warmth and words of encouragement. But in the cold pre-dawn hours, Smith's spirit left. Sick with despair and his feet partially frozen Hayward stumbled down the slopes.

Men from the Burkhardt Ranch and Rangers from Valyermo swarmed up the ridge to find only the lifeless body of Smith, lying in the shallow cove. Immediately a search was launched for Hayward. A snow flurry dusted the ridge erasing the tracks.

A horseman riding the Rock Creek trail spotted a ragged man crawling on crimson hands and knees along the banks of the stream. Ranger Hayward had been found. The horseman said, "I thought he was drunk from the party last night, but soon knew I was wrong. I aided him onto my horse and raced for the Valyermo Ranger Station."

Four hours after the men had left the Santa Anita Canyon, the missing Donald Bodine called his mother from a hotel in Los Angeles. With all mountain communication wires down in the storm, there was no way to stop the men. Their ordeal was all in vain.

Bodine has left the mountains in the early stages of the storm to secure food for his burros, but was unable to return.

Begonia Society To Meet Friday

The San Gabriel Valley Begonia Society will meet Friday, May 12, at 8 p.m. in the new Peacock Pavilion at the Los Angeles State and County Arboretum, 301 N. Baldwin Ave. Arcadia.

Mrs. Mabel Corwin will be the speaker and tell how to "prepare plants" for the show in July. Mrs. Corwin has the trophies to prove she knows what she is talking about.

Goldsmith Shop Wins Certificate

LaVon Brett, Brett's Goldsmith Shop, Pasadena, has been awarded the Diamond Certificate of the Gemological Institute of America in recognition of that organization's Diamond Training Program. The Institute is located in Los Angeles, with a branch in New York City.

This world-renowned jeweler's training program, which encompasses the entire diamond curriculum offered by the institute, involves a study of all phases of diamond technology, including evaluation procedures and grading for color, clarity and cutting. As a part of the study involved, Mrs. Brett was required to grade and appraise a number of diamonds, which were checked by the staff of the institute.

Mrs. Brett has been the proprietor of the above-mentioned jewelry firm for the past four years.

Daniel Alley On USS Kitty Hawk

Seaman Daniel H. Alley, USN, son of Mr. and Mrs. William E. Alley Jr., of 200 S. Mountain Trail, is off the coast of Vietnam helping to launch air strikes against the enemy as a crewmember aboard the attack aircraft carrier USS Kitty Hawk.

The Kitty Hawk's A4 "Skyhawk" and F4 "Phantom" jet pilots fly combat missions against enemy troops, installations and supply routes, and helps halt the infiltration of men and supplies into the South.

The 80,000 ton carrier, home for more than 5,000 officers and enlisted men, is a combination floating city and fortress, airfield, arsenal and fighting force rolled into one compact unit.

Kitty Hawk also serves as the flagship for Commander Task Force 77, the attack aircraft striking force for the seventh Fleet.

Sierra Madran New Member

Spartans, highest honorary organization for women at Pasadena City College, has recently honored new members and is making big plans for its booth at the O. M. D. Carnival—Viva La Fiesta—on May 12.

New members include Chris Holway and Linda Stigile of Arcadia, Janice Bowman of Rosemead, June Callaghan and Linda Rasmussen of El Monte, Terri Goodnight of Altadena.

Also Virginia Gutierrez of Monrovia, Kathy Weigand of Sierra Madre, Ellen Thomas of San Gabriel and Yvonne Knaus, Beth Merrick and Joan Nick of Pasadena.

Linda Stigile of Arcadia is chairman of the Spartan carnival booth which will be a "caricature" concession. "Many of our members are clever artists and they will do caricatures in black and white or pastels—whatever the customer prefers," says Miss Stigile. She is being assisted in arrangements by Miss Rasmussen and Miss Merrick. Miss Pauline Brown is advisor.

Spartans has been on the Lancer campus since 1932, when it was organized under Dr. Catherine Robbins, who is now president emeritus, with 15 charter members. New members are chosen each semester for their outstanding service to the school and community, leadership qualities and a satisfactory scholarship record.

RESOLUTION OF THE CITY COUNCIL OF THE CITY OF SIERRA MADRE, CALIFORNIA, DECLARING ITS INTENTION TO ORDER THE CONSTRUCTION OF CERTAIN SEWER AND APPURTENANT WORK IN ASSESSMENT DISTRICT NO. 90 OF SAID CITY, AND GIVING NOTICE THEREOF.
The City Council of the City of Sierra Madre, California, DOES HEREBY RESOLVE AND DETERMINE AND ORDER as follows:
Section 1. That the public interest and convenience require and that it is the intention of the City Council of said City of Sierra Madre, California, to order the following work to be done or improvement to be made in the City of Sierra Madre to wit:
The construction of certain sanitary sewers and appurtenant work in
MANZANITA AVENUE
between Sunnyside Avenue and a point distant westerly 467 feet from the west line of Lima Street; in
PARK AVENUE
between Manzanita Avenue and a point distant southerly 175 feet from the south line of Ramona Avenue; in
SUNNYSIDE AVENUE
between Manzanita Avenue and a point distant southerly 90 feet from the southerly line of Ramona Avenue.
The estimated cost of said work, including incidental expenses, is the sum of \$23,711.00.
Section 2. That all of the aforesaid work or improvement shall be constructed at the grades, points, of the dimensions, at the places and in the manner shown on the plans (which include profiles and detailed drawings) for the said work, designated "Plans for the Construction of Sanitary Sewers in Assessment Districts Nos. 87, 88 and 90, Sierra Madre, California, (and specifically sheets 5 and 6) consisting of drawings numbered 3 and 6 both inclusive, and in accordance with said plans and with the specifications for said work which are designated "Specifications for Sanitary Sewers for Assessment Districts Nos. 87, 88 and 90, Sierra Madre, California."
Said plans and specifications have heretofore been approved by the City Council of the City of Sierra Madre and are on file in the office of the City Clerk of the City of Sierra Madre in the City of Sierra Madre and reference is hereby made to said plans and specifications for the full and detailed description of said proposed work and for a description of the grades at which said work is to be done.
Section 3. That in the opinion of this City Council the said contemplated work is of more than local or ordinary public benefit and that the City Council hereby makes the expense of said work chargeable upon a district, which district this City Council hereby declares to be the district benefited by the work and to be assessed to pay the cost and expense thereof. For a description of said district, reference is made to a plat or map of said district heretofore approved by this City Council and on file in the office of the said City Clerk and designated "Assessment District No. 87 Boundary Map" consisting of 1 sheet, which map or plat indicates by a boundary line the extent of the territory included in the said proposed district and shall govern for all details as to the extent of said assessment district. The City Clerk hereby directed to file a certified copy of said map in the office of the County Recorder of the County of Los Angeles within fifteen (15) days after the adoption of this resolution.
Section 4. That serial bonds bearing interest at the rate of six per cent (6%) per annum shall be issued to represent each assessment of fifty dollars (\$50.00) or more, remaining unpaid for thirty (30) days after the date of mailing of the following serial bonds. Said bonds shall be issued on or before the second day of January next succeeding the next September 1st following the date. Said bonds are to be issued pursuant to and in accordance with the Improvement Act of 1911, Division 7 of the Streets and Highways Code of the State of California.
Section 5. That the proposed work is to be done under and proceedings therefor are to be under and pursuant to the said Improvement Act of 1911.
Section 6. That notice is hereby given that the 23rd day of May, 1967, at the hour of 8:00 o'clock P.M., are the day and hour when and the Council Chambers of this City Council in the City Hall in said City of Sierra Madre is the place where any and all persons having any protest or objection to said proposed work or to the extent of said assessment district, or to the proposed grades, may appear before the City Council of said City of Sierra Madre and show cause why said proposed work should not be carried out in accordance with this Resolution of Intention. Protests or objections must be in writing and must be delivered to the said City Clerk of said City of Sierra Madre not later than the hour herein set for hearing protests or objections.
Section 7. The SIERRA MADRE NEWS, newspaper of general circulation, published and circulated in the said City of Sierra Madre is hereby selected by this City Council, in which all other publications in the proceedings pursuant to this Resolution of Intention shall be made. The said City Clerk is hereby directed to certify to the adoption of this resolution and to cause said resolution to be published in the manner provided by law.
Section 8. The said City Clerk is hereby directed to mail notices of the adoption of this resolution as provided in said Improvement Act of 1911, postage prepaid, to all persons owning real property in the assessment district, to be assessed to pay any part of the cost of said work and assessments, and addresses appear on the last equalized assessment roll or as known to the said City Clerk, including the mailing of which notices to every owner of property assessed by the State under Section 14 of Article XIII of the Constitution at the address there-

Congregational's
Sermon Topic
'Tell Them Now'

"Tell Them Now!" This is the admonition Rev. David Howell of the Sierra Madre Congregational Church will give in his sermon at the 10 a.m. worship service this Sunday, Mother's Day. Rev. Howell observes that it is to be regretted that we wait so long, in terms of years, to really know our mothers. Then we wait so long to show and tell them that we know them.

A special Mother's Day musical offering will be presented by the Junior Choir, under the direction of Mrs. Edward Murphy.

The Women's Fellowship of the Sierra Madre Congregational Church is busily preparing for its annual Spring Rummage Sale to be held on May 19 and 20. Mrs. Glenn Appleby, chairman of the sale, invites all persons to bring rummage items to the Hermosa Street entrances of the church before May 18, or to phone her at 355-7647 and arrange for their things to be picked up.

SM Woman's Club
'Philanthropy
Party' May 17th

Enthusiasm is catching, a desire to be of service locally is spreading in connection with the Sierra Madre Woman's Club preparations for a good turnout on Wednesday, May 17, for the "Philanthropy Party," beginning at 12 noon with a luncheon at the Clubhouse, 270 W. Sierra Madre Blvd. President Mrs. Pierre Dozais is bustling around with her usual vim and vigor, supported by her 14 Board members, to give the usual complete luncheon and loads of wonderful extras as a nominal fee. There also will be "cooked food" and "white elephant" tables.

Plan to come, and bring friends, to enjoy the friendly atmosphere that always pervades at these club functions, as well as to feel that you have participated in a city beautification project. All proceeds go to the Sierra Madre Cemetery Association.

One sure way to start using wisdom teeth is to bite off more than you can chew.

Hawaiian Journey
For Sorensens

Councilman and Mrs. Severin Sorensen left May 10 for a three-week vacation to the Hawaiian Islands.

A surprise for his wife, Mr. Sorensen had just told her the Friday before the Wednesday they left. She said she plans to shop for all the clothes she didn't get time to buy before their journey.

During their stay, they plan to visit relatives and take in all the sights. Since they jetted over, they plan to come home a more leisurely, slow way via an ocean liner. They plan to return May 26.

Sermon 'Mortals
And Immortals'

"That which is born of the flesh is flesh; and that which is born of the Spirit is spirit." This verse from the gospel of John is the Golden Text of a lesson-sermon on "Mortals and Immortals" to be read in all Christian Science churches this Sunday.

Bethany Church

REV. KEN POURE

Saturday night, May 13, begins the Family Crusade at Bethany Church of Sierra Madre. This "family affair" starts with a "Teen Feed" at 6:30 on Saturday and continues on through Wednesday. Evangelist Rev. Ken Poure will speak Sunday at 7 p.m. and each evening after at 7:30. Each of these meetings will be preceded by a "Teen Tangle" with Rev.

Family Crusade

Roure one hour before the family meeting.

Rev. Ken Poure is a native of Southern California and has served as a Youth Minister and evangelist since 1957. He attended Biola College in La Mirada before his ordination into the ministry. Rev. Poure is nationally known in Christian work, and has conducted over 250 "Family Crusades" in America in the past few years.

Everyone is invited to attend this Family Crusade at Bethany Church, May 14-17, and to bring a friend.

'Builders of the
Christian Home'
Sunday Sermon

"The Builders of the Christian Home" will be the pulpit theme of the Rev. Armin Hesse in the 10:30 Sunday morning worship service at Faith Lutheran Church, 845 Hastings Ranch Drive, as the congregation also observes Mother's Day on the church Festival of Pentecost.

Under the direction of Mr. Edgar Pilschke, the choir will present Ralph E. Williams' "Attend Our Prayers" and "Eternal Father Strong to Save," John B. Dykes. A special offering will be gathered to support the work of the Lutheran Armed Forces Commission, which maintains contact with Lutheran personnel in the nation's armed forces, and maintains 15 Lutheran service centers in the United States and abroad.

The Sunday School and youth Bible departments will meet at 9:15, under the direction of Mr. Donald Hingst, the church's Minister of Education and Youth. Simultaneously the Adult Bible Class will meet in the sanctuary, occupied in the study of the Book of Habakkuk under the direction of Mr. Alvin Duesing.

Parish activities scheduled for next week: Junior Choir and Sunday School staff on Tuesday evening at 7:30; Midweek Bible Hour course on "Background of the New Testament" on Wednesday at 7:30, followed by the meeting of the Women's Christian Service Guild and the meeting of the Board of Fiscal Affairs at 8:30; and on Thursday night at 8:30, the Adult Church-Membership Study Club and the Senior Choir rehearsal. Tomorrow (Friday) night at 6:30, the Mother-Daughter Banquet will be held in the parish hall. The ladies of the L.W.M.L. sewing group will meet next Wednesday morning at 10.

Sermon Topic
Announced By
Dr. Barnhart

"Love Always Wins" will be the special lesson-sermon of Dr. Ethel Barnhart on Mother's Day, Sunday, May 14 at the 11 a.m. worship service at the Santa Anita Church, 226 W. Colorado Blvd., Arcadia. "The public is invited to worship with us and make this a day of blessing as we honor all mothers. Child care is provided for your convenience," points out Dr. Barnhart.

Children from kindergarten through eighth grade worship with their parents in the sanctuary for the first fifteen minutes of the worship service. After a sermonette especially for them they go to their Junior Church graded classes for spiritual education. High school youth attend the Sunday morning service and have their evening meetings the first and third Sunday of the month at 7:30 p.m.

The Santa Anita Church Day School, a public day school from kindergarten through eighth grade, meets the requirements of the Department of Education of the State of California, and is a Mae Carden school, teaching the noted Mae Carden Method of Learning and Comprehension. Enrollments are now being taken for the 1967-68 school year. Please call 446-8206 for further information.

The Santa Anita Church Benefit Luncheon will be held Thursday, May 11, at noon after the women's meeting at 11 a.m. when Dr. Reina Lady Smith will be guest speaker.

Parents and the public are invited to the Santa Anita Church Day School Open House on May 16 at 7 p.m. in Fellowship Hall. A program will be presented, with each grade showing some phase of the Mae Carden Method of Reading and Comprehension. Following the program guests are invited to visit the school rooms.

"Dial for Prayer, 447-6162," invites Dr. Barnhart.

Another book with an unhappy ending is the check book.

SPORTS

AS

Hank Ives
SEES IT

NORMALLY THIS WOULD BE A VERY FINE baseball team over the long haul of 162 games. However, check the current batting and earned run averages of these "stars" of the diamond wars.

Catcher - Clay Dalrymple, .125; 1B - Willie McCovey, .181; 2B - Joe Morgan, .155; SS - Bobby Wine, .71; 3B - Joe Foy, .111. The outfield would have Bob Bailey, .118; Jose Cardenal, .175, and Willie Stargell, .158. The hurlers would be Pete Richert 6.95, Dennis McLain 5.20 and Mudcat Grant 4.56.

WHEN WILL THE STATE Legislature approve night harness racing? Just asking, that's all.

LOOK FOR THE YELLOW TAIL fishing to be "good" this summer. Warm weather is just around the corner. Now that's spoken like a true optimist.

SPEAKING OF THE OPTIMISTS, Gus Trefzger will be an odds-on favorite to win the annual golf cuttita again this year.

TOUGH NEWS DEPT. ... Sandy Vance, who may be one of the brightest left-handed pitching prospects since Sandy Koufax, may be lost for the season. Sandy is a sophomore at Stanford and currently boasts a perfect 70-mark with an ERA of 0.85. He was 9-0 for the Stanford Papooses last year. Sandy turned down a huge bonus offer after a brilliant stint at Pasadena High. Let's hope

the "flipper" responds to treatment.

DENNIS DIXON, a very fine tight end for the 1965 Fullerton Jr. Rose Bowl team, is running with the first offensive unit in spring practice at Alabama. His Hornet batterymate, Dick Hough, has quit the USC team to go to work.

OLD HANKUS came up with a split in his predictions last week. The UCLA Bruins upset the Trojans in a brilliant dual track meet as predicted, but Huken, when last seen, was still disappearing into the fog at Churchill Downs.

IT DIDN'T TAKE the Houston Astros long to reactivate Bobby Lillis to the roster. None of the Astros are hitting a lick and there is an obvious need for a good utility infielder.

LOOK FOR TOBY PAGE to get the starting nod as the USC quarterback this fall. Not that Mike Holmgren won't develop into a passing whiz, but sophomores rarely get the call ahead of the tried-and-true senior at Troy.

VETERAN TATE DUFF of San Gabriel Mission and Ganesha's Jess Cone have been named to serve as assistants to Ray Solari and Ken Well, respectively, in this year's San Gabriel Valley All-Star prep clash Aug. 17, at Citrus Stadium.

number of Assistant Superintendents will be reduced from four to one.

2. Frank A. Fleck will reverse the high school redistricting decision made by the School Board last week.

3. Frank A. Fleck will eliminate crosstown bussing.

4. Frank A. Fleck will not form Citizens' Committees to study school problems. Instead, he will do something about urgent problems, such as the alarming increase of venereal disease and dope addiction among our school-age children.

5. Frank A. Fleck will eliminate the present domination of the School Board by groups such as the FTA Council and the League of Women Voters.

6. Frank A. Fleck will not rest until the biased textbook "Land of the Free" is eliminated from our schools.

7. Frank A. Fleck will initiate a merit system for teachers' salaries.

8. Frank A. Fleck will restore discipline to the classroom. School principals will be expected to control riots and demonstrations before they start.

9. Frank A. Fleck will reverse the present downward trends in scholastic and academic achievement.

10. In order to elect him, it is necessary that you write in his full name: Frank A. Fleck (Seat No. 4).

Tragic Fire

Gerald Kinney, stated that the matter had weighed very heavily upon the young boy's mind for the past several days.

The fire started in the toy room, where Shawn was playing, while mother and father were in other parts of the house. As father Kinney stated, there were no electrical outlets in the room, no storage, hence he believes the boy, having become interested in fire, had set the blaze by playing with matches.

The gods were looking down with great favor on the Canyon this morning, as very little breeze was stirring. Had it not been for this fact, the home on either side of the Kinney residence would have been easy access for the flames.

Three firemen received injuries, one taken to the doctor and two treated for cuts by first aid graduate, Fireman John Buchan. Gerald Kinney is a patrolman for the Pasadena Police Department.

Civic Club

Sierra Madre Civic Club is planning a meeting today, May 11, at 8 o'clock in the evening. The meeting will take place in the home of Mrs. Joseph Murphy at 321 Acacia.

William R. Duff Being Trained In Professional Photography

WILLIAM R. DUFF
... Student at Brooks

Learning to be a professional photographer is an intriguing and involved task, according to William R. Duff of Sierra Madre, who enrolled last month in the Brooks Institute of Photography at Santa Barbara.

"Before entering Brooks I never realized the great amount of technical knowledge and creative ability required before one can qualify as a professional photographer by modern standards," he said.

Mr. Duff, a 1964 graduate of Pasadena High, also attended Pasadena City College and Orange Coast Junior College before going to Brooks to study under the 28-month professional program leading to a Bachelor of Professional Arts Degree.

His home is 380 E. Grand View. He is the son of Mercer and Frances Duff.

Free Mosquito Fish For Pools

Gambusia affinis, a minnow-sized fish with a whale-sized appetite for the larvae of mosquitoes, is again ready to take up the battle against a familiar summer-time pest.

Beginning May 15 and continuing through October 15, the Los Angeles State and County Arboretum in Arcadia will make these working fish available to anyone having an outdoor ornamental pool or similar potential breeding place of mosquitoes. The fish may be obtained at the Arboretum information window during regular hours weekdays and up to noon on Saturdays. Those wanting some of these mosquito eaters must bring their own container which should be at least a quart in size in order to provide enough oxygen for the fish until they are transferred to home pools.

The distribution is made in cooperation with the Los Angeles County Health Department's annual mosquito control program.

The Department offers these observations concerning mosquito fish: They are not compatible with goldfish, (they eat each other), and so should not be placed in well-stocked goldfish ponds; they are not decorative and do not do well in indoor aquariums; a pond should have some vegetation or algae in order to provide shelter for the fish to have their young which they give birth to as do guppies; if a pond is already heavily infested with mosquito larvae, it should be drained and refilled with fresh water.

If the foregoing is observed, gambusia affinis will fulfill his role in a specific public health program.

scrutiny at this time. It is far from secret that these sessions of the Council are usually poorly attended — but when the tax bills come out in the fall the chambers are full.

NOW is the time to be heard. NOW is the time to voice your opinion on the city's spending policies. NOW is the time that the Council needs to know your feelings on this important subject.

As your Mayor, I urge you to attend as many of the budget hearings as you can find time for. Meeting times and dates will appear in the newspapers and will be posted at City Hall.

OBVIOUSLY THE DODGER are missing Sandy Koufax, but pitching problems aren't as acute at the hitting. Maury Wills and Tommy Davis have been nothing but productive for Pittsburgh and the Mets, while Bob Bailey and Gene Michaels haven't helped much with the stick.

ONE BOO BOO Fred Haney might have made was holding out for Pete Cimino to go with Jimmy Hall and Don Mincher in the Dean Chance deal. He could have had Camillo Pasqual.

Ascension School Has 'Honorable Aladdin' May 12

The Episcopal Ascension Parish Day School 5th through 8th grades are presenting "The Honorable Aladdin" in the Parish Hall on Friday evening, May 12, at 7:30.

The cleverly written, rollicking play has the following Sierra Madre students taking part:

Cader Edwards, son of the Rev. and Mrs. Spencer P. Edwards Jr.; Paula Fink, daughter of Mr. Paul Fink; Elizabeth Haugh, daughter of Mr. and Mrs. Roland A. Haugh; Bill Hustedt, son of Mr. and Mrs. Albert A. Hustedt; Leslie Jardine, daughter of Mrs. Richard Jardine; John Knight, son of Mr. and Mrs. Stuart Knight; Craig Stacey and Ryer Pickren, children of Dr. and Mrs. Thomas R. Pickren; Tod and Tim Tuchscherer, sons of Mr. and Mrs. R. D. Tuchscherer, and Daphne and Ethelyn Wilcox, daughters of Mr. and Mrs. Orland W. Wilcox.

The school is now accepting new enrollments for the fall term. Any parents interested, please contact the school at an early date, as the available places are rapidly filling.

Want to move up to a better home?

It's easier to do now. Home loan money is available again.

With lots of San Gabriel Valley families last year, the hope of moving up to a bigger or better house never got past the talking stage. Tight money was why.

After all, it takes financing to trade up. And somebody else needs it to buy your present home. But mostly the money wasn't to be had.

So people decided to stay put for the time being. In your own particular area, and all up and down the Valley.

But early this year, loan money started flowing again. Today buyers are looking—and buying. Moving vans are moving again.

If you want to make a change, it's a whole lot simpler now. That's true if you need more space. And just as true if the kids are grown and you want a place that doesn't tie you down so much.

The sooner you act, the better.

Higher building costs are adding about 5% a year to prices of new homes. By 1971, a \$20,000 house could cost you \$24,000.

Huge population increases are hiking up the value of land, too. San Gabriel Valley cities grew an average of over 100% from 1950 to 1966.

There still are plenty of houses to

choose from. And prices are generally considered reasonable. But if, as many authorities believe, a new buying boom is starting, the selection will go down.

The facts certainly suggest that the longer you wait, the more it will cost you. So why not see what your house is worth, and what's on the market in the neighborhood you like?

Your San Gabriel Valley Realtor can help you. He knows the area. He has the answers to your questions about financing, taxes and local schools. Why not put him to work for you now?

International Coin Show Scheduled For June 23 - 25

The largest display of gold, silver, and copper coins of the world ever assembled for public view, will be presented at the International Hotel, adjacent to Los Angeles International Airport, at 6211 W. Century Blvd., Los Angeles on Friday, June 23 through Sunday, June 25, from 10 a.m. to 10 p.m.

Coins from every nation, paper money and tokens from ancient to present times will be on sale from the more than 65 coin dealers from 45 cities in the United States, six from Canada and three from Mexico.

The special security precautions to insure the safeguard of the largest and most award winning exhibits of international coins and currency ever assembled under one roof, valued at over 2 million dollars, surpasses even that accorded a president or foreign dignitary when they appear in public.

Organized by the Council of International Numismatics, in 1962, and sponsored by 10 coin clubs in the Southern California area, this show will feature nine informative and educational forums over the three days. Both the displays and the forum are open to the public at no charge.

Contrary to public belief that all coin collectors are hoarders of United States coins, and responsible for the coin shortage, this group advocates the U.S. coins will be allowed only for the purpose for which they were intended, namely as spending money.

ALA Begins 'Operation Helping Hand'

At the meeting of the American Legion Auxiliary, Unit No. 297, held at the home of Maybelle Barker, on Thursday evening, donations were made to the Cemetery Association and the District's Community Service Fund.

Effie Pratt, chairman of Foreign Relations, gave an informative talk on the Philippines. Project for this year being the Care program — "Operation Helping Hand" with their first school almost completed, within one hour's drive of Manila in a section where 50 families live, all very poor. This will be their first school. Girl State chairman, Orelia Henderson, announced that Miss Catherine Louise Spies of San Marino High School, will represent Unit No. 297 this year.

Following the business session, a social time was enjoyed. The photo guessing contest caused much merriment as members tried to recognize each other in the 45 pictures submitted, covering a period from babyhood to wedding days. Helen Wheeler was the prize winner when she recognized 33 pictures of the 45. Bingo completed a pleasant evening with refreshments served at a late hour.

The next meeting will be held at the home of Mrs. Edna Faller, 55 Olive St., on Thursday evening, May 11 at 8 o'clock.

Record-Breaking Usage Of Library

The Sierra Madre Public Library continues its record-breaking ways, and for the fifth month in a row circulation continued to show a substantial gain.

Circulation for April was 11,195 coming close to the total population of Sierra Madre. This figure was a gain of 364 over March of this year but 30 per cent, or 2,574 over last April. The increase for the first ten months of the fiscal year has been 9,655 or 11 per cent and is projected by Librarian Paul Ax at 13 per cent by July 1.

The Library Board, which met Tuesday, April 2, listened to these facts, along with the report showing substantial gains in the receipts department before tackling revisions of its budget for submission to the City Council at the end of the month.

Employees of the library submitted a letter, and one employee was present, to tell of the work load increase, and also spoke on the change in pattern since split sessions were started in the local elementary school.

It is hoped to add a reference librarian to the local system which would take some of the technical load from the clerical staff, and this proposition received the sanction of the board.

In other action the board raised the fee for non-resident users from \$5 to \$8; this will affect mostly Arcadia residents as Arcadia is not a member of the San Gabriel Valley Library System.

They viewed the new card catalogue cabinet that has just been put into use and voted to sell the old cabinet for \$25.

Board members also voted to submit to the Planning Commission space estimates and usage recommendations for the addition of a community room in the library building instead of in the proposed civic center.

Mr. Ax reported that during the coming year the State Library System will do most of the book cataloging for the local library thus alleviating this problem, but at the same time it will be necessary to integrate some of the local cataloging categories into their methods.

With the agenda complete the next project was some revisions in their budget for the coming fiscal year. The preliminary budget is in the neighborhood of \$74,000 with some additional work to be accomplished out of surplus funds, if the recommendations of the librarian are followed. Some further parings were made and the figures changed in preparation for re-submission to the City Administrator of inclusion in the over-all city budget, now being prepared for submission and action by the City Council.

New Building At Arboretum To Be Dedicated

A new building on the grounds of the Los Angeles State and County Arboretum in Arcadia will be formally opened to the public May 18 at dedication ceremonies starting at 2:15 p.m.

The building, called the Peacock Pavilion, will house a refreshment center, gift shop and offices. Funds for the building were provided by the California Arboretum Foundation, Inc. and Los Angeles County.

Principal speakers at the event will be Supervisor Frank G. Bonelli, chairman of the Los Angeles County Board of Supervisors; F. Harold Roach, president of the California Arboretum Foundation, Inc.; and Ralph D. Cornell, president, Board of Governors, Department of Arboreta and Botanic Gardens.

Music will be provided by the Everett Covin Society Orchestra.

A climb to top of Mt. Mitchell, North Carolina, displays variations in vegetation equal to that observed by driving 1,000 miles north. Weatherwise, it could be March 30 on top of mountain, and May 10 in valley below, just a few miles away.

Timely Proposal

A proposal that makes a great deal of sense has been offered by Assemblyman Alan G. Pattee of Monterey County. Pattee has authored a bill that would set up a state commission similar to the State Public Utilities Commission — which regulates private utilities — and gives it the responsibility of regulating public districts which distribute water, gas or electricity to the general public.

As the Assemblyman points out, while investor-owned utilities have for years been under strict regulations in terms of services and rates, public utilities have been free from such supervision. They have, he says, "thumbed their noses at the people they serve because they were not subject to state control."

Public utilities long since have emerged from their original purpose of providing services private enterprise could not, and have become open competitors with a distinct advantage. This problem will not be solved, as Pattee puts it, "until all utilities, public or private, are under the same type of regulation."

For Labor Justice

Seeking a solution to the growing problem of union abuses of power, which pose a threat not only to the public but to union members themselves, Senator Robert Griffin of Michigan has introduced a bill in Congress which would abolish the patently pro-union National Labor Relations Board, and substitute a more impartial 15-man U.S. Labor Court, similar to the U.S. Tax Court.

Griffin is co-author of the Landrum-Griffin labor law, which has done much toward this end. The NLRB, however, regards itself as a policy-making tribunal rather than a judicial body. There is no requirement that its members be lawyers. And under the law its decisions have a built-in protection against appeal.

Griffin, who won re-election last fall in the most heavily unionized state in the nation, believes that "labor-management laws should be interpreted and applied by persons of judicial temperament, acting in a judicial atmosphere, by judges who are well insulated from day-to-day political and special interest pressures."

The bill's co-sponsors, including Frank Lausche, Ohio Democrat, and Charles Percy, Illinois Republican, agree. So, we suspect, do many union members who deplore the extreme and dangerous actions of some of their leaders.

Sierra Club Stands Tall

By a strong majority vote, the members of the prestigious Sierra Club have vindicated its reputation for integrity and responsibility. They overwhelmingly approved the action of their directors in endorsing the use of Diablo Canyon in San Luis Obispo County as a site for a new nuclear power plant.

The directors had taken their stand in the best tradition of true conservation. Accepting the fact that the state and the nation's growth often requires expansion of vital industries into areas hitherto uncultivated, they worked closely with Pacific Gas & Electric Company in selecting a location for the new plant that would do the least damage to California's remarkable coastline. In fact, they and independent conservationists point out that Diablo has no truly unique qualifications for preservation as a wild area and instead is well suited as a secluded but strategically located site for much needed new power production.

In contrast to the fly-by-night "conservationists" who usurp a worthy name to wage their fight against private industry, the Sierra Club stands tall among the nation's outstanding public service organizations.

Taxing the Tax-Favored

If it is any comfort to those who are still recovering from our annual fiscal offering to the Internal Revenue Service, that agency is about to lower a multi-million dollar boom on magazines, radio stations and other "business" activities of non-profit organizations.

The IRS blow would be in the form of a tax on such organizations' advertising revenues. Among the affected would be the National Geographic Magazine, the Journal of the American Medical Association, and Nation's Business, published by the Chamber of Commerce of the United States.

Whatever the merits of the IRS plan, and it should be carefully studied, it does serve to illuminate the basic problem of tax-exempt organizations. The CIA disclosures have opened many eyes to the fact that some foundations utilize their tax free status in indirect ways to foster propaganda and lobbying activities, which they are not supposed to do. Also, the tax plan suggests a question: why start here? Why not begin with the business profits of TVA and the other many tax-favored public utilities?

The Protest Fizzled

In the wake of the recent "mammoth" peace marches in New York and San Francisco, Secretary of State Dean Rusk expressed the concern that Hanoi might misinterpret them as a meaningful expression of U.S. public opinion about Vietnam. If Hanoi read the reports carefully it would have had to do a lot of imaginative stretching to reach such a conclusion.

According to police, New York's march attracted 125,000 participants, hardly impressive for the nation's largest city. In San Francisco there were an estimated 50,000 in Kezar stadium — a pretty fair football crowd — but as the Daily Cal pointed out, it was a futile affair, with most of the crowd leaving long before the many speakers had any chance to stir them into anti-war fervor.

The UC Berkeley student paper suggested that it might have been better if the Bay Area's heavy rains had "dampened the spirits of the colorful assortment of individuals whose every action made a mockery of the protest they were ostensibly enacting." The kooks, in other words, finally showed themselves for what they really are.

Part 2

Sir Alan Herbert, an Englishman, recently referred to his country's Prime Minister Wilson in the following words: "Like a dog with Rhodesia in its mouth, he dashed about inviting all to chase him. Yelling, 'It's mine,' he rushed off to the United Nations and brought everybody in."

We immediately joined the chase. Why? Because our government and "we the people" have exhibited neither the inclination nor the common sense to recognize the wool being pulled over our eyes as 100 percent pure cotton hogwash!

On December 31, 1963, the 10-year-old Federation of Rhodesia and Nyasaland officially ceased to exist, and the three territories that had comprised it—Southern Rhodesia, Northern Rhodesia and Nyasaland—went their separate ways. Since then, Northern Rhodesia and Nyasaland (now known as Zambia and Malawi) have become sovereign, independent states with the official blessing of the British government. But what of Southern Rhodesia?

Her complete independence from Britain had culminated in the constitutional conference leading to the 1961 Constitution. The British government was party to the conference and Constitution, and Rhodesians were led to believe that the 1961 Constitution would lead to full independence.

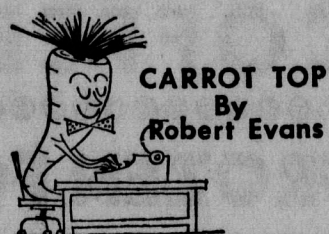

This Constitution had been accepted not only by the Rhodesian and British governments but also by the major African Nationalist parties who saw in it a positive constitutional road which would lead them eventually to full satisfaction of their needs. But such a peaceful road was unacceptable to those other countries who saw in the Nationalists a means to an end; an end which meant the destruction of all that had been built up in Rhodesia over the years. External pressures were brought to bear and the Nationalists, after having already accepted the Constitution, rejected it within a few days. The Constitution in effect provided for ever-increasing African participation in Parliament as more and more black Rhodesians achieved the necessary qualifications and acquired the responsibility for the vote by virtue of education, earning power and property ownership. It enshrined rule by the majority of those persons competent to exercise a vote. It was accepted by all the responsible peoples of Rhodesia as the Constitution on the basis of which Rhodesia would be granted her independence.

But this was not to be; for, as the negotiations proceeded throughout 1964 and 1965, it became clear that the British government, which itself had drafted the Constitution, was by this time no longer concerned with the merits of Rhodesia's case. Mr. Wilson showed no hesitation in defining his party's policy toward Rhodesia in a letter to Mr. Mutas in 1964. He wrote: "The Labour Party is totally opposed to granting independence to Southern Rhodesia so long as the Government of that country remains un-

der the control of the white minority."

The choice the British government attempted to portray was a simple one between the indefinite continuation of "white rule" or the "democracy" of one man, one-vote. This was, by no means, the real choice. The choice was between the continuation of responsible government, the orderly and increasing participation of black Rhodesians in a government which is working toward the advancement of all Rhodesians regardless of color, or a premature hand-over to majority rule, which, in effect, meant extreme black Nationalist rule on the principle of one-man, one-vote.

Congressman Utt tells us: "Rhodesia is one of the showcases of stable government in Africa. It was, and is, moving rapidly toward expanding suffrage and improvement of the standard of living of the native population. In the field of public education, Rhodesia is outstanding. The whites pay 98 percent of all direct taxes, which make it possible for the public education of 700,000 children, 90 percent of whom are Africans. One of every six inhabitants is in public school. In England, one in five is in school. Compare this to Ethiopia, where only one in eighty of its inhabitants is in school! I ask which country is doing the most for the indigenous African?"

—CT—
We will close the column this week with another "sage" remark by a Sierra Madre youngster . . . It was his first day of school and increased his like for it throughout the week, so that when Friday came, he was put out to learn from the teacher that there would be no school on Saturday or Sunday.

—CT—
When he got home his mother asked why he looked so depressed . . . "Damn it," he complained, "I've been laid off for two days." . . . Will he feel this way come ten years from now? . . . I hope, I hope, I hope.
